

PLOT 120F

120W Mini Led Fresnel Light with Rotatable Barndoor

Centolight PLOT 120F is a Fresnel spot with 60° beam and 120W warm-white COB Led. It is designed for all those fixed applications where a compact fixture with warm-white light (approx. 3200K) an excellent color rendering is required. The low-noise is based on the high quality of fans and the built-in processor that constantly balances chip temperature and fan speed, always keeping it within 20dB @ 1m distance. The fixture is equipped with rotatable barndoor.
